## UI Designer

### PROFESSIONAL PROFILE

I'm a user interface designer with experience in music production, distribution, and performance. Through extensive touring and as the co-founder of an independent music label, I've gleaned a special perspective that allows me to build inclusive and memorable digital experiences.

### Work Experience

#### UI DESIGNER

**Solar Cabin Simulator - Elf's End**  
**April 22 - May 2**

- Completed the UI for interactive diorama during week-long sprint
- Adapted art design to usability standards, maintaining creative direction

#### DIGITAL MERCHANDISING

**Cactus Doggy**  
**April 2015 - Current**

- Product sourcing for online store
- Photographing, writing descriptions for listings
- Customer care expert with 100% five star shop ratings

### Educational History

#### CAREERFOUNDRY

**UI Immersion**  
**Oct 2020 - April 2021**  
**Completion of Certificate Program**

- Studied the principles of interaction/interface design
- Worked with peers and mentors to refine project deliverables
- Specialization in web development

**CareerFoundry**  
**Intro to UI Design**  
**Sept 2020 - Oct 2020**  
**Completion of Certificate Program**

- Concentrated onboarding to interface design
- Foundational Adobe XD skills
- Up-to-date and comprehensive knowledge of current trends
